Forecast for Saturday 03 Aug 2024

Weather: Cloud and rain quickly clears in the early hours followed by clear skies. It will then be a mainly sunny morning before more in the way of cloud bubbles up by the afternoon. The odd light shower possible in the afternoon, but most places will remain dry with sunny intervals. Moderate summit winds.

Chance of cloud-free hill tops above 800m: 90%

Low cloud and visibility: A few patches of summit cloud at first through the morning, otherwise cloud bases above summit level. Generally excellent visibility, perhaps falling briefly in any showers.
